

# St. Mary's School Volunteer Program

Parent/Guardian Name: \_\_\_\_\_

Phone: Home \_\_\_\_\_ Cell \_\_\_\_\_

We are looking forward to another great year at St. Mary's School! We are always looking for parents to volunteer to be Room Parents. Room parents are called if a teacher needs help finding drivers for a field trip, planning a class party or a special event, etc. In turn, the room parent would call other parents to assist with these activities. A room parent's reward is having the chance to be involved with their child and their activities at school!

There are other ways parents can volunteer during the school year. Please look over the list below, hopefully you will find something that interests you and will be willing to contribute some of your time and talent to the students. Please check those areas below and return the form to the school office as soon as possible.

*You will need to be VIRTUS trained if you will have contact with any of St. Mary's students. There is a form included with this packet that will need to be filled out and returned with your other paperwork.*

If you have any questions, please feel free to contact the school office at 629-3270 (8-3:30, M-F). Thank you, in advance for considering this very important request
