

Birthday Parties

ATTENTION PARENTS:

If your student is having a birthday party and has invited St. Mary's classmates, please inform the school office.
507-629-3270.

We need a list of who is invited, and if they are riding the bus, (so bus passes can be written up,) or are going to be picked up (so pick-up passes can be written up). This way the teachers also know what is going on at the end of the day.

The parents of students who have been invited then need to contact the school/email that their child has permission to attend so everyone gets to the right place. *We do not accept a child telling us that they have been invited, that information needs to come from a parent!*

Thanks so much for your help and cooperation.
