ACCORDING TO SCHOOL POLICY,
NO MEDICATION WILL BE GIVEN WITHOUT WRITTEN PARENTAL PERMISSION
AND
WRITTEN AUTHORIZATION FROM A LICENSED MEDICAL CARE PROVIDER.

St. Mary's School personal can no longer administer any medications (aspirin, cough drops, etc.) per Minnesota State Health Department regulations. Families must now provide these medications to the school with their written permission for administering to their child (form elsewhere in this packet). Also if your child has allergies and needs medication or an Epipen, these must also be provided by the family, with a written authorization from your licensed medical care provider (get from the school office). ***All Medications must be properly marked with your child's name, dosage to be given, and the date.***
